DANCE THROUGH THE DECADES

LEARN CREATE INSPIRE PERFORM

Welcome to Dance Through the Decades!

As we gather to celebrate another incredible season, we are filled with gratitude for each dancer, parent, teacher, volunteer, and supporter who makes our dance family so special. This performance represents months of hard work, dedication, growth, and countless memories made both inside and outside the studio.

Throughout this season, our dancers have learned far more than steps and choreography. They have developed confidence, perseverance, teamwork, and friendships that will last long after the final curtain closes. We are proud of every dancer who steps onto the stage tonight.

This year's production takes us on a journey through the decades, celebrating the music, styles, and spirit that have brought people together through dance. We hope you enjoy watching our students shine as they share their talents and passion with you.

Thank you for trusting Colorado School of Dance to be part of your family's journey. Whether this is your first recital or your twenty-fourth season with us, we are honored to share these special moments together.

Sit back, relax, and enjoy the show!

With gratitude,

Lisa Tuska
