Observer Pass

For the month of December, we are welcoming parents into the studio to enjoy watching their children through our viewing windows during their class time.

Observers will be issued an observer pass for the day they signed up for, anyone 2 years and older will be required to sign up. We are limiting passes to 2 per dancer for the month in order to ensure everyone has the opportunity to come and watch.

Mark Otloski

Ballet Instructor

This is Mr. Mark's 5th year teaching at CSD. His favorite thing about CSD is passing along his knowledge of classical ballet to young, aspiring students.
