COLORADO SCHOOL OF DANCE

The Nutcracker

of Parker

PACE CENTER

NOVEMBER 20-25, 2025

Welcome to The Nutcracker of Parker!

As the lights rise and the first notes of Tchaikovsky's score fill the theater, I'm reminded that what we've built together is so much more than a ballet. It's a family, a legacy, and a story that keeps unfolding year after year — written by dancers, parents, community volunteers, and dreamers who bring this magical holiday tradition to life.

When we first performed *The Nutcracker of Parker* in 2003 at Chaparral HS theater, we couldn't have imagined what it would become — a beloved town tradition, a gathering place for our community, and a celebration of art that connects us all. Along the way, there have been triumphs and challenges, laughter and tears, and moments of grace that none of us will ever forget.

This year, I'm honored to share that I'm writing a book inspired by the spirit of our show, titled *Nutcracker Magic*. Its release is planned for Nutcracker Season 2027, and I cannot wait to share it with you.

Thank you for being part of this remarkable story. Whether you've danced, volunteered, or simply come to watch, *you* are the reason this Nutcracker continues to shine, year after year.

With gratitude and holiday joy,

Lisa Tuska

THE STORY

The Nutcracker tells the magical story of young Clara Stahlbaum, who receives a wooden nutcracker from her godfather at her family's annual Christmas party.

When the festivities end and the house grows quiet, Clara sneaks back to check on her new treasure. But at the stroke of midnight, she is swept into a world of magic, as her Christmas tree grows to towering heights, toy soldiers spring to life, and an army of mice charges into the room, led by the fearsome Mouse King.

Clara's Nutcracker leads the battle and, with Clara's courage, triumphs over the Mouse King. Just when she fears she has lost her brave Nutcracker forever, he transforms into a kind prince who invites her on an extraordinary journey. Together they travel through the glittering Land of Snow, where the Snow Queen guides them to a magical sleigh bound for the enchanted Land of Sweets.

There, the Sugar Plum Fairy welcomes Clara with a dazzling celebration. Dancers from around the world perform in her honor, followed by the radiant Waltz of the Flowers led by the graceful Dew Drop Fairy.

The ballet culminates in the iconic Grand Pas de Deux of the Sugar Plum Fairy and her Cavalier. As the festivities draw to a close, Clara is gently guided home, where she awakens in her living room—left with the dreamy question every child cherishes:

Was it all just a dream... or did she really dance inside the magic?
