

2025-2026 TUITION

Tuition is due on the 1st of each month on a 10-month recurring billing cycle (August - May). The only other class fee is the annual registration fee of \$50 (15 additional family member), which covers your studio "Embrace Your Passion" T-SHIRT, spring group evaluation cost, recital medal and parent special events. We do not charge processing fees. This simple structure is based on accumulation of time versus per class method, and there are no extra costs for high level classes.
