Welcome to Dance Through the Decades!

As we gather to celebrate another incredible season, we are filled with gratitude for each dancer, parent, teacher, volunteer, and supporter who makes our dance family so special. This performance represents months of hard work, dedication, growth, and countless memories made both inside and outside the studio.

Throughout this season, our dancers have learned far more than steps and choreography. They have developed confidence, perseverance, teamwork, and friendships that will last long after the final curtain closes. We are proud of every dancer who steps onto the stage today.

This year's production takes us on a journey through the decades, celebrating the music, styles, and spirit that have brought people together through dance. We hope you enjoy watching our students shine as they share their talents and passion with you.

Thank you for trusting Colorado School of Dance to be part of your family's journey. Whether this is your first recital or your twenty-fourth season with us, we are honored to share these special moments together.

Sit back, relax, and enjoy the show!

With gratitude,

Lisa Tuska

## Alex Favreau

Alex began dancing at CSD when she was 8 years old and was a member of our competitive team and ballet company. Libby's favorite role was Sugar Plum Fairy in the Nutcracker where she had the opportunity to play with beauty, artistry, and graceful strength. She cannot choose just one favorite memory out of all her years at the studio, but cherishes the continuous laughter and joy. She is grateful to be able to carry all her amazing memories into her future.

Libby is graduating from Lutheran High School and plans to attend Indiana University where she will pursue a Bachelor of Fine Arts in Contemporary Dance as well as minors in Theater and Kinesiology.
