Make-Up and Hair Instructions for Pictures, Dress Rehearsals and Performances

For Female dancers:

Foundation: Color slightly darker than your skin tone so that the lights don't wash you out.

Blush: Red/Pink

Lipstick: Lipsense: B-Ruby (Baby Mice and Big Mice dancers-no lipstick), Party Boys- Nude Lipstick

Eyes: Black eyeliner, mascara, brown eye shadow. Make eyebrows darker.

False eyelashes: Party Parents (Ladies), Intermediate and Senior Company Dancers

Rhinestone earrings: All Intermediate and Senior Company Dancers

Nude Leotards: Required for all female dancers

Ballet Shoes: Clean shoes with drawstrings tucked in, elastics sewn.

Pointe Dancers: must sew ribbon knot for dress rehearsals and performance.

For Male dancers: Because of the bright lights that can wash out facial features on stage, men need to wear light stage-up. Please wear foundation, blush, and a natural shade of lipstick to bring out lip color.

Lipstick Instructions (Pictures, Dress, and Performances): We do recommend Lipsense Lipstick to prevent stains. If using Lipsense you should apply prior to putting on costumes. If using regular lipstick- please apply lipstick after dressing in costumes and remove lipstick before taking off costume. Dancers will be charged a cleaning fee if lipstick is found on costume.

High Flat Bun

Form a pony tail by brushing the hair up from the jaw line to the top part of the back of the head. A ponytail just below the crown of the head is good. Use water, hairspray and gel to slick back the hair. Coil the pony tail into a tight circle. Use hair pins all around the coil to secure it to the rest of the hair. Slide each pin through the outer part of the coil, then into the base of the bun. Wrap a fine hair net around the bun. Keep twisting and wrapping so that the hair net tightly secures the bun. Add a few more pins. With long thick hair, you may end up with a bun that will protrude too much. To flatten, remove all pins; the hair net will hold the bun. Then flatten the bun and re-pin all around the bun. Finish with more hairspray.
