Welcome CSD Family & Friends,

As we gather to celebrate another incredible season, we are filled with gratitude for each dancer, parent, teacher, volunteer, and supporter who makes our dance family so special. This performance represents months of hard work, dedication, growth, and countless memories made both inside and outside the studio.

Throughout this season, our dancers have learned far more than steps and routines. They have developed confidence, perseverance, teamwork, and friendships that will last long after the final curtain closes. We are proud of every dancer who steps onto the stage today. For many of these children, this is their very first performance, and we could not be more proud of them.

Throughout the season, our Twinkle Stars have worked hard to learn classroom skills, practice their dances, and grow both as dancers and as young people. Today, they have the opportunity to shine in front of the people who love them most.

Thank you for entrusting us with your little dancers. It is a privilege to watch them grow, learn, and develop a love for dance. We hope this showcase becomes a treasured memory for your family and the beginning of many wonderful years ahead.

So sit back, smile, and enjoy every moment. They may be little, but they are already a sparkling, bright light in our lives as dance teachers. Thank you for trusting Colorado School of Dance to be part of your family's journey. Whether this is your first recital or your twenty-fourth season with us, we are honored to share these special moments together.

Sit back, relax, and enjoy the show!

GROOVING INTO THE FUTURE: MEET OUR SENIOR CLASS!

Madison Goodpaster

Maddie started dancing at ten years old. She has been part of the Colorado School of Dance family for eight years, and on the ballet company. Her favorite dance roles included "Crock" in the Peter Pan Ballet, and Snow and Flowers in the Nutcracker of Parker.

During her time at CSD, she was grateful to make lasting friendships and to achieve her goal of getting on pointe.

She graduated from Highlands Ranch HS. Maddie plans to start classes at Arapahoe Community College to study Criminal Justice.

Alex Favreau

Alex began dancing at Colorado School of Dance when she was eight years old. She was a member of the competitive team and the ballet company. Her favorite role in the Nutcracker of Parker was the Soldier Doll, and her favorite memory was traveling to Provo, Utah with her team for a competition.

She graduated from Chaparral HS, where she spent two years on the varsity dance team.

Alex will attend the University of Northern Colorado to major in Business. She will continue dancing as a member of the UNC's Sugar Bears Dance Team.

Libby Johnson

Libby started dancing when she was two years old and came to Colorado School of Dance when she was five. She has been part of the CSD family for 13 years. Libby's favorite role was Sugar Plum Fairy in the Nutcracker where she had the opportunity to play with beauty, artistry, and graceful strength. She cannot choose just one favorite memory out of all her years at the studio, but cherishes the continuous laughter and joy. She is grateful to be able to carry all her amazing memories into her future.

Libby is graduated from Lutheran HS. She will attend Indiana University this fall, where she will pursue a Bachelor of Fine Arts in Contemporary Dance as well as minors in Theater and Kinesiology.

Christopher Rudolph

Christopher saw the Nutcracker of Parker when he was eleven years old and knew he wanted to perform in the show one day. Throughout the years, his favorite roles have been Peter Pan, Fritz, the Nutcracker, and Mouse King. He has loved all the after-show dinners, team hangouts, and endless hours that he has spent with his amazing community. Additionally, he really enjoyed the opportunities to go to Utah and Seattle with other CSD dancers.

Christopher is a graduate of Cherokee Trail HS. He will attend Baylor University this fall to major in Biology Pre-Med and minor in dance.

Sophie Wei

Sophie started dancing at three years old and has been a student at Colorado School of Dance for 15 years. During her time at CSD, her favorite roles were Party Boy and Baby Mouse in the Nutcracker. Sophie's favorite dance memory is when she attended nationals with her CSD family as well as her high school poms team because it brought her closer to her teammates.

She is a graduate of Regis Jesuit HS, where she was a varsity dancer.

She will attend Miami University, Ohio, in the fall. She plans to major in finance along with a co-major in marketing on a pre-law track.
